

THE RED SQUIRREL

TERM 1 ISSUE 2

2ND OCTOBER 2026

www.westburyontrym.academy

Dear Parents/Carers

What a wonderful morning we enjoyed at our Harvest Festival Service. It was a joy to come together as a school community to celebrate the season of harvest and give thanks for the many blessings we enjoy.

It was especially special to gather as a whole school family at Holy Trinity Church for the first time this academic year. We would also like to say a huge thank you to our families for their generous donations to our Harvest food collection. Your kindness and support will make a real difference to people in our local community.

The donations will be shared between The Foodbank and the Sisters' *Loaves and Fishes Harvest Ministry*, helping to support some of the most vulnerable people across Bristol. The Sisters provide around 6,000 food parcels each year to those in need, and our contribution will help them continue this invaluable work.

Thank you to everyone who helped make the service such a meaningful and memorable occasion. We are incredibly proud of the generosity and compassion shown by our school community.

Berkeley Castle—Year 2

Year 2 had a truly magical day on their recent visit to Berkeley Castle! The children stepped back in time and experienced what life might have been like in a medieval castle.

Adding to the excitement, the children came dressed as kings, queens, princesses, knights and dragons, transforming Year 2 into a colourful royal court. Their wonderful costumes helped bring history to life and made the day even more memorable.

During their visit, the children explored the magnificent castle, discovering its grand halls, impressive towers and fascinating history. They learned about the people who lived there many hundreds of years ago and gained a deeper understanding of castle life in medieval England.

The day was filled with fun, learning and imagination. The children thoroughly enjoyed exploring the castle grounds, listening to stories from the past and sharing their own ideas about what it would have been like to live in such an extraordinary place.

A huge thank you to all the parents and carers who helped create the fantastic costumes. The children looked amazing and fully embraced the spirit of the day.

What a wonderful experience for Year 2 and a fantastic way to bring their learning to life. We are sure they will be talking about their royal adventure for many weeks to come!

Value for the Term

Our value this term is **RESPECT & DIGNITY**. Our focus Bible story is 'The Fall', where we learn about how Adam & Eve did not show respect to someone (God) who had created a beautiful garden & world for them. We will be thinking more about the current state of our world and how we can show respect to all creation; including people, places and animals.

Please consider these key questions with your children:

Can you think of someone that you really respect and admire?

Are you respected by others? Why do you think that is?

Are there particular qualities that you respect in others?

PSHE – Personal Social Health Education

The Mental Health Toolkit

As a school family, throughout the rest of Terms 1 and 2, we will be following the lessons from the scheme called 'The Mental Health Toolkit'. (We will be following the Jigsaw scheme of work in Terms 3 – 6.)

The scheme has been created by Unique Voice, a charity that are passionate about making a positive social impact and who help to educate children by providing exciting, creative programmes designed to find practical and inspiring solutions. Their projects aim to empower children, enabling them to flourish with confidence and resilience. We have previously enjoyed

The Mental Health Toolkit is a trauma informed scheme that teaches emotional regulation and helps to improve children's self-awareness using creativity and learning through play.

The scheme is centred on an animation called, 'Adventures on the Inside' which is about a main character, Bear, and his friends, Rabbit, Wolf and Mouse. Every class family in school will watch the animation at the start of the unit of work. The diagram below shows the different areas of learning for each week of the scheme:

The Wizard of Oz Comes to Our School!

We were delighted to welcome **M&M Productions** to our school on Tuesday for a fantastic live performance of *The Wizard of Oz*. The children were captivated from start to finish as Dorothy, Toto, the Scarecrow, Tin Man and Cowardly Lion journeyed along the Yellow Brick Road in search of the wonderful Wizard.

The talented actors brought the much-loved story to life with colourful costumes, engaging songs and plenty of audience participation. There were lots of smiles, laughter and excitement as the children joined in and followed Dorothy's adventure through the magical Land of Oz.

It was a wonderful opportunity for our pupils to experience live theatre and enjoy a classic story in a fun and memorable way. A huge thank you to M&M Productions for providing such an entertaining and inspiring performance that was enjoyed by everyone.

Ukulele Club—Spaces Still Available!

There are still spaces available in our fun and exciting Ukulele Lunchtime Sessions, held every Wednesday (Years 1,2 & 3)

These sessions are a fantastic opportunity for children to learn a new musical skill, build confidence, and have lots of fun along the way.

For more information or to book a place, please contact Mr Bee (Matt) bristolguitarkids@gmail.com

We look forward to welcoming more budding musicians!

Prospective New Parent/Carer Tours for Reception Places September 2027

If you have a little one starting school next year, please book onto one of our tours. The dates can be found on our school website [HERE](#).

Family Home Learning Club — Everyone Welcome!

Need a calm and supportive space to complete home learning? Join us at our Family Home Learning Club every Monday from 3:15 to 3:45 in 3EF with Mrs Barbour.

This is a great opportunity for pupils to work on their tasks with a teacher available for guidance. iPads will be provided for digital activities.

Please note: Pupils must attend with a parent or carer.

Drop in and make home learning a positive experience for the whole family!

If you have a concern, your first point of contact should always be your child's teacher. They are best placed to understand the context and work towards a solution. Should further support be needed, the teacher will involve the appropriate members of our leadership team.

Thank you for your cooperation and for helping us maintain a safe and respectful school community.

Christmas Tree Sale

This year's Christmas tree sale to be held by Holy Trinity church will take place in the churchyard on Saturday 5th December between 9am and 2pm.

There will be the usual selection of cut Nordman Firs (reduced needle drop) and Norway Spruce trees and each tree will be

netted for your convenience.

There will be no sales to the general public so if you would like to pre-order your tree, a form is available.

Hire our facilities

We're able to offer our school facilities for families and the wider community to hire for birthday parties, events or classes. We offer a discounted rate to families who have children at Westbury and have different sizes of rooms and facilities to meet your requirements. For full details please [visit our website](#)

New FREE Family Magazine for Bristol Parents!

We are delighted to share news of a brand-new magazine designed especially for families with primary-aged children across Bristol.

Let's Go Bristol is a free, family-friendly magazine packed with ideas, information and inspiration for local families. From exciting days out and seasonal activities to events, clubs and community news, the magazine is full of useful content to help families make the most of what Bristol has to offer.

The Autumn 2026 edition is now available to read online via the link below:

[Let's Go Bristol - Autumn 2026](#)

The magazine has already proved popular with parents/carers across the city and is both locally focused and ethically printed, making it a fantastic community resource.

We hope families enjoy exploring the magazine and discovering some of the wonderful opportunities available in and around Bristol this autumn.

You can follow our school on [Facebook](#) & [Instagram](#) or our school website www.westburyontrym.academy

If you wish to contact the school governors, please email governors@westburyontrym.academy

Happy reading!

Volunteers needed

We're incredibly grateful to all our amazing volunteers who make such a difference at Westbury. If you have a little time to spare and would enjoy listening to children read, we'd love to welcome you to our team.

To get involved, simply email the school office at info@westburyontrym.academy to register your interest.

A Reminder About Safe and Considerate Parking

We kindly ask all parents and carers to park considerately when dropping off and collecting children from school. Recently, there have been instances where access to the school car park has been blocked, making it difficult for staff, visitors and emergency vehicles to enter and exit safely. Use of the school carpark is only to be used with permission.

Please avoid parking across entrances, driveways or access points, and be mindful of our neighbours and other road users. If possible, consider parking a little further away and walking the remaining distance to school.

By working together and showing consideration for others, we can help keep our school community safe and ensure smooth access for everyone.

Thank you for your continued support and cooperation.

Donations Wanted!

We are looking for donations of Orchard Toys games (maths and phonics) that are no longer needed, we would be delighted to give them a new home.

These resources are a fantastic way for children to develop key skills through fun and engaging play. Any donations, big or small, would be greatly appreciated and put to good use in our classrooms.

Thank you for your continued support and generosity!

And finally... A Thoughtful Reflection from Year 5

As we come to the end of another busy fortnight, we would like to thank Year 5 for sharing their beautiful class prayer with our school family.

Their thoughtful words encourage us all to pause and reflect on the importance of kindness, gratitude and caring for one another. The prayer reminded us that even small acts of compassion can make a big difference and help our school remain a welcoming and supportive place for everyone.

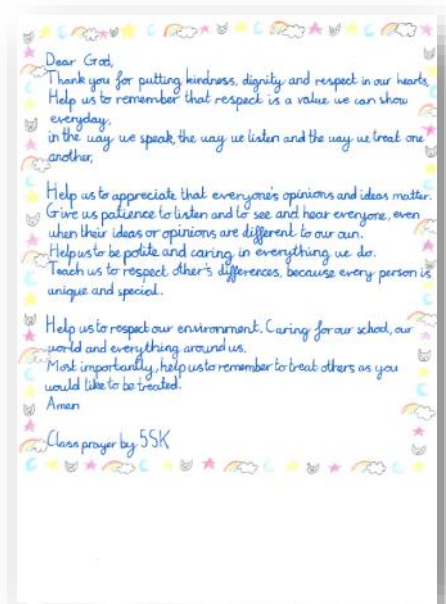

Thank you, Year 5, for your inspiring message and for helping us end this newsletter on such a positive and reflective note.

Dear God,

Thank you for putting kindness, dignity and respect in our hearts. Help us to remember that respect is a value we can show every day, in the way we speak, the way we listen and the way we treat one another.

Help us to appreciate that everyone's opinions and ideas matter. Give us patience to listen and to see and hear everyone, even when their ideas or opinions are different to our own. Help us to be polite and caring in everything we do. Teach us to respect others' differences, because every person is unique and special.

Help us to respect our environment, caring for our school, our world and everything around us. Most importantly, help us to remember to treat others as you would like to be treated. Amen

BIG SAVINGS ON SCHOOL LUNCHES!

Did you know you could save up to £500 having free school lunches?

For more information, visit:
www.gov.uk/apply-free-school-meals

What's New?

From September 2026, new government changes mean many more families will be eligible for free school meals. Previously, eligibility was limited to households earning under £7,400, but this income threshold has now been removed. This means that all children in families receiving Universal Credit will qualify for free school meals, regardless of household income.

Who is eligible?

- **Reception – Year 2**
Still FREE for all children
- **Year 3 and above (NEW)**
Free meals if your family receives Universal Credit
- **Extra support available**
Targeted help for lower-income households continues

Why Choose Our Lunches?

- ✓ Healthy, balanced meals
- ✓ Great variety every day (meat, vegetarian/vegan and halal)
- ✓ Saves time preparing lunches
- ✓ We cater to support pupils with allergies and special dietary needs.

Important Action

Bristol City Council are automatically checking all families who are currently eligible, so you don't have to re-apply.

For first-time applicants:

- Follow the link below to apply and await confirmation.
- Once approved, you're guaranteed for the full school year
- [Click here](#) to apply

The Savings

"No more spending £12 a week on lunch!"

A typical packed lunch costs:

- Up to £2.50 per day
- Around £12 a week
- Up to £500 per school year

With FSM:

- Main, side + dessert = FREE

Dear Friends,

Thank you very much for the generous donation towards our Harvest Appeal. Every gift, no matter the size, makes an immediate, tangible difference in the lives of those who need it. On their behalf, we offer our sincere and heartfelt gratitude.

Saved to this PC

Your steadfast compassion and support embody the true spirit of Christian charity. We are profoundly moved by your willingness to stand alongside us in this vital ministry.

Your continued prayers for our work, and for all those we serve, sustain both our mission and the hope of our community. We are reminded daily that we do not walk this path alone, and your spiritual accompaniment strengthens us immeasurably.

The impact of your kindness extends far beyond what can be measured in material goods—it represents a powerful witness to love in action, and a beacon of hope to those navigating difficult circumstances.

With deepest gratitude, warm wishes, and every blessing,

Level Up: Become a Video Game Architect

Ever wondered what it takes to build the next viral hit? In this high-octane introduction to game design, pupils aren't just playing - they're **building**. Using the professional **Design Thinking** process, students will step into the shoes of a Lead Developer to bring their own digital universe to life.

The Quest Log:

Blueprint Your world: From legendary heroes to treacherous villains, pupils design every pixel of an original Platform-based adventure.

Iterate to Greatness: By analysing player behaviour and gathering "pro-tips" from peers, students will refine their builds - turning a good game into a masterpiece.

The Goal: Master the art of the "Feedback Loop" to create a game that's as playable as it is polished.
